

Let's get ready for EDGE! Registration for the Workshop Rotations, Sunrise Speakers, Sponsor Workshops, the Hotel Market Place, Niche Networking Sessions and Power Speakers will open very soon. We have put together this Selection Worksheet to help you record your first and second choices of workshops and other educational opportunities to aide in your workshop registration process when you receive your email to register for your workshops online.

This worksheet walks you through the many options available for each day of the conference. Record your first and second workshop options below.

Step 1: Select your Tier

Read the Tier descriptions provided on Agent Universe. Based on the requirements of each Tier, select a Tier track to follow at Edge.
